

Hi, I'm Yousef hany

Frontend Developer

[View My Work →](#)

About Me

I'm a passionate frontend developer with over 1 year of experience creating beautiful and functional web applications. I specialize in JavaScript, Tailwindcss, and modern CSS frameworks while maintaining a strong focus on user experience and performance.

When I'm not coding, you can find me exploring new design trends, contributing to open source projects, or hiking in the mountains to clear my mind and find inspiration.
